### SUMMARY

Hi, I'm a Junior Full-Stack Developer with knowledge of HTML, CSS, JavaScript and React. I have a proven track record of using Agile/Scrum methodology to successfully deliver projects on time, on budget and with a focus on usability. I thrive in challenging and dynamic environments where I can help make positive contributions to both everyday life and business with my creative problem solving skills. I'm a fast learner, responsive and always ready for a challenge.
